Classroom Rules and Expectations

1. Students are expected to be in the music area (12 suite) when the bell rings.
2. Each individual is responsible for having all materials for participation in class each day.
3. There is no food or gum allowed at any rehearsal or performance.
4. Be respectful of school owned instruments and equipment.
5. Cell phones will be handled per the Perry Township Schools' policy.
6. You are responsible for seeing that all items that you will need are placed in the proper place. Do NOT assume someone will do this for you.

Grading

Student grades are based on a blend of 2 categories: Practice (20%) & Performance (80%).

Classroom Participation (Practice)

- Tardy: -1/Missing Music: -1/Missing Instrument: -2/Classroom Disruption: -1 to -4

Concert Performances (Performance)

Our classes are "Co-Curricular" which means that events occurring outside the school day are **mandatory** for course requirements and grading.

Daily Practice Accountability (Practice)

- In performance music, every rehearsal is important because each one provides the student with physical contact time with their instrument. An absence for ANY reason means that the student has lost that contact time, and therefore needs to catch up with their classmates. ANY rehearsal absence for ANY reason (sickness, field trip, holiday, etc.) must be made up with 20-40 minutes of outside practice time (verified by a form signed by a parent if the practice happens at home, verified by the Band Directors if it happens at school).

Playing/Written Assessments (Performance)

- Playing exams are given periodically. All playing tests may be retaken ONCE for an improved grade. Exams may either be recorded or live. Students may submit a test on a particular piece until the end of that performance cycle.
- Written assignments will be periodically. Written assignments may be submitted late for full credit within a week of the due date. After a week, it becomes worth 75% of the original points.
